

Jihye “Erica” Bae

jihye.bae@vanderbilt.edu

Website: <https://sites.google.com/view/jihyeericabae>

RESEARCH INTERESTS

childhood development and cognition • learning sciences • early STEM development • quantitative methods

EDUCATION

- 2023–Present** **Doctor of Philosophy in Psychological Sciences (expected May 2027)**
Vanderbilt University, Peabody College
Developmental Psychology, Quantitative Methods (minor) (GPA 3.97/4.00)
Committee: Drs. Amy Booth (chair), Bethany Rittle-Johnson, Cristina Zepeda, Jessica Logan
- 2021–2023** **Master of Education in Child Studies**
Vanderbilt University, Peabody College
Clinical & Development Research Track (GPA 3.95/4.00)
- 2019** **Post-Baccalaureate Program for Counseling and Psychology Professions**
UC Berkeley Extension
- 2007–2011** **Bachelor of Arts in International Relations (with honors)**
New York University, College of Arts and Science
Magna cum laude (GPA 3.89/4.00)

RESEARCH EXPERIENCE

- 08.2021–Present** **Graduate Researcher & Lab Manager** | *Vanderbilt University, Little Learners Lab* (PI: Dr. Amy Booth)
- Led four ongoing research studies, including an NSF-funded longitudinal project, managing all stages of the research lifecycle from study design through dissemination.
 - Oversaw daily laboratory operations, supervising administrative workflows, research assistant training, IRB submissions, database management, participant scheduling, and lab space management.
- 2010–2011** **Undergraduate Honors Thesis Research** | *New York University* (Advisor: Dr. Peter Rosendorff)
- Conducted a year-long research for honors thesis analyzing cross-national OECD datasets to examine international immigration trends and U.S. foreign policy.

TEACHING EXPERIENCE

Fall 2026 **Teaching Assistant, PSY-PC-2550 Adolescent Development (Fall 2026)** | *Vanderbilt University*

- Facilitate in-class discussions, evaluate student coursework using Brightspace LMS, and hold office hours to support student learning.
- Contribute to course management and student engagement decisions alongside the lead instructor.
- Independent session teaching on "Autonomy" (planned for November 2026).

Spring 2026 **Academy for College Teaching (Badge)** | *Vanderbilt University, Center for Teaching*

Completed an intensive 10-week training focused on understanding and designing college-level evidence-based instructional strategies and student-centered/engaging classrooms.

Badge:  ACT Certificate.pdf

Areas of Teaching Competency

Developmental Psychology, Motivation and Learning, Cognitive Aspects of Development, Research Methods, Quantitative Methods

MENTORING EXPERIENCE

08.2022–present **Student Mentorship** | *Vanderbilt University*

- Mentored and trained undergraduate (14) and master's research assistants (4) in data collection protocols, behavioral coding, and research methods.
- Guided five undergraduate research assistants through the development of research projects/honors theses, submitting conference posters, and/or manuscript writing.
 - Piper Mueller (2022-2023): guided completing Vanderbilt Undergraduate Summer Research Program (VUSRP)
 - Christine Shatrowsky (2022-2024): guided writing manuscript and completing honors thesis (Bae et al., 2023)
 - Jiya Patel (2023-2026): guided completing a poster on a research project worked extensively as a research assistant (SRCD, May 2025)
 - Jelissa Sasraku (2023-2026): guided completing and presenting posters on a research project worked extensively as a research assistant (Vanderbilt, Nov 2024; SRCD, May 2025)
 - Taylor Ditsworth (2023-current): guided completing Vanderbilt Undergraduate Summer Research Program (VUSRP) and honors thesis
 -

PUBLICATIONS

Bae, J., Shavlik, M., Shatrowsky, C., Haden, C., & Booth, A. (2023). Predicting grade school scientific literacy from aspects of the early home science environment. *Frontiers in Psychology*, 14.

<https://doi.org/10.3389/fpsyg.2023.1113196>

Bae, J., Shavlik, M., & Booth, A. (2026). Predicting elementary scientific literacy from preschoolers' causal stance, causal reasoning skills, and home science environment. *Developmental Psychology*.

<https://doi.org/10.1037/dev0002264>

Shavlik, M., **Bae, J.**, & Booth, A. (under review). Scientific literacy and attitudes about science through the transition to middle school. *Science Education*.

Bae, J., Shavlik, M., & Booth, A. (in preparation). Assessing preschoolers' scientific interest: Developing a reliable and valid measure for early scientific interest.

PRESENTATIONS

Bae, J., Shavlik, M., & Booth, A. (June 2026). *Self-Efficacy Matters for Scientific Literacy in Middle School, but Competence Comes First*. Roundtable presentation and talk at the NSF 2026 ECR:CORE and ECR:BCSER Awardee Meeting, Washington, D.C.

Bae, J. & Booth, A. (January 2026). *Assessing Scientific Interest Before School Entry: A Multi-Method Approach*. Oral presentation at the Southeastern STEM Education Research Conference, Birmingham, AL.

Bae, J. (October 2024). *Measuring Early Interest in Science*. Presentation at the Tennessee STEAM Festival, Virtual.

Bae, J. (April 2024). *Measuring Scientific Interest in Preschool*. Presented during the Research-in-Progress Roundtable Series at the American Educational Research Association, Philadelphia, PA.

POSTERS

Bae, J. & Booth, A. (April 2026). *Measuring Early Scientific Interest: Insights from Two Empirical Studies*. Poster presented at the Cognitive Developmental Society, Montréal, Canada.

Bae, J. & Booth, A. (March 2026). *Measuring Early Scientific Interest: Insights from Two Empirical Studies*. Poster presented at the Vanderbilt Early Childhood Research Collaborative Symposium, Nashville, TN.

Bae, J., Patel, J., Sasraku, J., & Booth, A. (May 2025). *Measuring Preschoolers' Interest in Science*. Poster presented at the Society for Research in Child Development conference, Minneapolis, MN.

Bae, J., Sasraku, J., & Booth, A. (November 2024). *Measuring Preschoolers' Interest in Science*. Poster presented at the Vanderbilt Kennedy Center Science Day, Nashville, TN.

Bae, J., Shavlik, M., & Booth, A. (March 2024). *Measuring Scientific Interest in Preschoolers*. Poster presented at the Cognitive Developmental Society, Pasadena, CA.

Bae, J., Sharples, A., Mueller, P., & Booth, A. (November 2022). *Measuring Early Interests in Science*. Poster presented at the Vanderbilt Kennedy Center Science Day, Nashville, TN.

Bae, J., Booth, A. (July 2022). *Challenges to Measuring Early Interests in Science*. Poster presented at the annual meeting of the International Mind, Brain, and Education Society, Montréal, Canada.

Shavlik, M., **Bae, J.**, Köksal, Ö., French, B., Haden, C., Legare, C., & Booth, A. (April 2022). *Early Scientific Literacy: Foundations in Causal Reasoning*. Poster presented at the annual meeting of the Cognitive Development Society, Madison, WI.

GRANTS, HONORS, AWARDS & SCHOLARSHIPS

2025	MATHia Data Science Competition, 1st Place awarded \$1000 (Carnegie Learning & Vanderbilt University)
2023	Peabody College Academic Fellowship, annually \$28,000 (Vanderbilt University)
2022	Conference Travel Grant, \$2000 (International Mind, Brain, and Education Society)
2021	Dean Tuition Scholarship Award, 50% of tuition (Vanderbilt University)
2011	Phi Beta Kappa, Beta Chapter of New York
2007–2011	Dean's List (New York University)

PROFESSIONAL AFFILIATIONS

- Cognitive Development Society
- Society for Research in Child Development
- International Mind, Brain, and Education Society
- American Educational Research Association
- Vanderbilt Early Childhood Research Collaborative

SKILLS

Data Analysis Programs: R, SAS, LISREL, STATA

Classroom Management: Brightspace (D2L)

Languages: Korean (Native), English (Bilingual)

NON-ACADEMIC PROFESSIONAL EXPERIENCE

02.2013–03.2015 **Associate, Global Service Team** | *Samsung Electronics Co., Ltd., South Korea*

05.2012–12.2012 **Legal Intern, International Litigation Team** | *Yoon & Yang LLC, South Korea*
